State Senator Gayle Slossberg **ConnPACE Plus** *for lower prescription costs*

Eligible seniors could save \$1,000 per year or more in Medicare Part B premiums and lower co-payments.

ConnPACE is a highly successful state program that fills a critical need—prescription drug assistance for low-and middle-income seniors. The federal government is providing funding to states that provide prescription drug benefits to seniors for even lower costs than ConnPACE. That's why last fall, I supported legislation to implement ConnPACE Plus to utilize these federal funds.

The new voluntary ConnPACE Plus program **could save eligible seniors \$1,000 per year or more in Medicare Part B premiums** and lower co-payments. All individuals in ConnPACE who are eligible for Medicare can enroll in ConnPACE Plus.

As a ConnPACE member, your pharmacy co-payment is now \$16.25. By joining ConnPACE Plus, **your pharmacy co-pay could be reduced to as low as \$2.50 for generics and \$6.30 for brand-name drugs** on Medicare Part D's drug list.
